

Spartanburg Methodist College

Bachelor of Arts Degree (BA)

PSYCHOLOGY CONCENTRATION

SMC offers a customizable, interdisciplinary Bachelor of Arts Degree that allows you to choose two concentrations (similar to majors) to focus your studies on, without adding time or coursework to your degree. When you customize your degree for your interests, you get a broader education and skill set that prepares you for more jobs today and new career paths in the future. Our customizable Bachelor of Arts Degree provides you with a quality liberal arts education and discipline-specific coursework.

Psychology

Completing a psychology concentration provides students a curriculum focused on the inner workings of the mind, including cognitive, abnormal, and personality development. Learning these critical skills will open doors for bachelor's degree graduates in a number of fields, including counseling, health services, social work, human resources, and more.

CHOOSE ANOTHER CONCENTRATION

With SMC's customizable Bachelor of Arts Degree, students choose two concentrations to complete their degree program. Combining psychology with either business, criminal justice, English, history, or religion will expand your career options.

CAMAK CORE

Every four-year degree at Spartanburg Methodist College includes our unique Camak Core professional development program. The Camak Core is a required set of courses that focus on teaching students professional skills such as leadership, teamwork, problem-solving, and professional communication. Students graduate better prepared to interview for jobs and enter the workforce.
