

Spartanburg Methodist College

Bachelor of Arts in Business Administration (BABA)

MANAGEMENT AND ENTREPRENEURSHIP

A business degree prepares students for a career in a variety of industries and roles. A Bachelor of Arts in Business Administration from Spartanburg Methodist College also provides students the professional development skills they need to be career-ready right away. The SMC BA in Business Administration provides an in-depth course of study in one of three areas: accounting, marketing and sales, or management and entrepreneurship.

Management and Entrepreneurship

Dream of owning your own business or maybe leading a company or family business one day? The Management and Entrepreneurship BABA degree is designed to provide you with the skills and knowledge to be confident in your ability as a leader in the corporate world. Students will gain an overall education in business with more focused training in management concepts and the various elements of business like finance, data analysis, organizational effectiveness, and strategic planning. Management and entrepreneurship graduates will be prepared for careers in business administration, management consulting, finance, banking, and business start-up.

PREPARING YOU FOR A CAREER . . .

A business administration degree prepares students for a variety of careers and corporate opportunities, including finance, banking, marketing, management, human resources, entrepreneurship, and many other business roles.

CAMAK CORE

Every four-year degree at Spartanburg Methodist College includes our unique Camak Core professional development program. The Camak Core is a required set of courses that focus on teaching students professional skills such as leadership, teamwork, problem-solving, and professional communication. Students graduate better prepared to interview for jobs and enter the workforce.
